ABOUT ME

As a student who studies and works at the same time, I am extremely organised and manage my time quite well. I quickly learn new information and technologies, understand computer concepts and am motivated to continuously improve and develop in the field of software engineering.

WORK EXPERIENCE

 – Sofia, Bulgaria

City: Sofia | **Country:** Bulgaria

Promoter

[2020 – 2022]

This is a people-only job. There I learned perseverance, extreme patience and high adaptability to each person's environment and character.

 – Sofia, Bulgaria

City: Sofia | **Country:** Bulgaria

Tour organiser

[07-2023 – 09-2024]

My role required high concentration and daily responsibility, involving a variety of tasks that enhanced my ability to work with multiple programs and adapt flexibly.

 – Sofia, Bulgaria

City: Sofia | **Country:** Bulgaria

Sales Consultant

[01-2025 – 08-04-2025]

Assisted customers, prepared food, and maintained cleanliness. Developed patience, dexterity, and strong organizational skills.

 – Sofia, Bulgaria

City: Sofia | **Country:** Bulgaria

Server & Team Member

[12-04-2025 – Current]

I serve customers in a busy bakery while working closely with a supportive team, learning adaptability, multitasking, and providing personalized service in a friendly and motivating environment.
